RE: Notification of Nutritional Support Statements

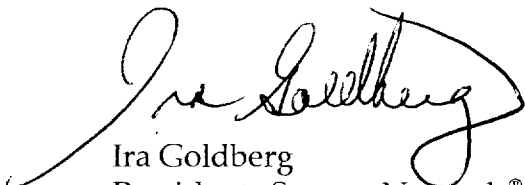

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Phosphatidyl Serine 100TM, 150TM & Complex, dietary supplements. Source Naturals[®] is the manufacturer of Phosphatidyl Serine.

Statements being made in the labeling of Phosphatidyl Serine:

- (1) Phosphatidyl Serine (PS) is one of the key human brain phospholipids which is essential for normal neuron structure and function.
- (2) PS, along with other essential fatty acids, may also play a critical role in cognitive function including maintaining concentration.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.

Ira Goldberg
President, Source Naturals[®]
